

Recording Teacher-Assessed Grades

OneGrade is specifically designed for recording in-year and final teacher-assessed qualification grades

On the first page of OneGrade Web, teachers immediately see a list of students in the classes they teach:

Course Code:	17182W	Starters:	32
Course Title:	EDEXCEL L3 Ext Dip Public Service (16-18 FT) (37)	Continuers:	32
NVQ Level:	3	Completed:	0
		Withdrawn:	0
		Transfers:	0

The orange columns contain a drop-down list which presents only the available grades for that course (based on the learning aim and the Ofqual data held in OneGrade):

***D
 *DD
 DDD
 DDM
 DMM
 MMM
 MMP
 MPP
 PPP
 UU

OneGrade caters for up to eight in-year progress points per academic year, any of which can be shown and renamed - using this button, you can select which in-year points you wish to display:

Progress Column Options Change which progress columns to display on the grid

Please select up to 8 Progress Columns to show

1. Oct 2020
 5. 2021 Final

2. Dec 2020
 6. IY Grade6

3. Jan 2021
 7. IY Grade7

4. April 2021
 8. IY Grade8

OneGrade enables you to easily capture teacher-assessed grades in a controlled way - not simply at the end of the year but also at multiple points during the year.
